What we want to achieve

We want to achieve a stronger integration of Industry 5.0 in VET by providing educators and learners with innovative training resources, practical validation tools, and a benchmarking system that builds skills, raises awareness, and supports sustainable and human centric industrial transformation.

Our Results

Industry 5.0 adaptive and validation OER

WP2 develops modular Industry 5.0 adaptive and validation OER with training content, validation tests, and piloting across partner countries

Industry 5.0 Benchmarking Tool for VET

WP3 creates the Industry 5.0 Benchmarking Tool for VET, aligned with EU qualification frameworks, and pilots it using a Readiness Index to guide improvements

Our Mission

Our mission is to equip VET providers and learners with practical tools and knowledge to successfully adopt Industry 5.0.
