PROJECT NUMBER 2023-1-DE02-KA220-VET-000158236

## NEW HORIZONS OF THE GARY 5.0 PROJECT

We are in the final phase of the project for the GARY 5.0 platform. The pilot phase has been successfully completed by all partners. During this intensive phase, our team thoroughly validated the platform, educational modules, and interactive tools, ensuring they function seamlessly and provide superior content for trainers, students, and industry professionals.

### THE MAIN GOALS OF THE FINAL PHASE:

- Increase visibility and recognition of the project among the target groups and the wider public.
- Rocket the engagement and participation of the target groups in the project activities
- Enhance the collaboration and networking among VET providers, SMEs, and regional development agencies in the field of Industry 5.0
- Rise interest and investment in Industry 5.0 education and training programs by VET providers and regional development agencies

## PROMOTIONAL EVENTS

To achieve and pursue all these objectives, the partners are developing a variety of promotional events in the different countries. The types of promotional events planned within the GARY 5.0 project are:

- **National Launch Events** are organized in each partner country, where the project's tools and results are presented to VET educators, SMEs, and policy-makers, offering practical demonstrations and encouraging networking at a local level.
- **Webinars**, consist of a series of virtual sessions aimed at audiences across the continent to facilitate access, the exchange of ideas, and interaction.
- **Hands-on Workshops** allow participants to directly experience GARY 5.0 tools and educational resources, guided by experts and collaborative learning in small groups, implemented at various partner locations.
